01

OUR VISION

We seek to build (from the ground up or through renovating an existing structure) a small professional theater that will bring a unique, authentic summer theater experience to the community on the Boothbay peninsula and beyond

02

OUR PLAN

The three-year plan for the Boothbay Summer Theater requires money and talent in abundance. Snowlion Rep, a non-profit theater company with a stellar production history in the greater Portland area, will shepherd the project by raising the funds, engaging the talent, and overseeing the design and construction of the theater. The new Boothbay Summer Theater will then produce several shows a summer, chosen to delight and inspire audiences of all ages
